### STRENGTHENING OUR ROOTS

We have all probably seen an overturned tree after a strong storm; sometimes even a surprisingly large tree lying on its side, roots and all. Most of the time these overturned trees have a rather short root system.

All plants need roots to provide a large part of their nourishment. Roots also provide stability, particularly to trees. In a spiritual and emotional sense, people depend on cultural and intellectual roots for stability and survival. Without these roots we may fail to maintain our stability and survival, especially as Jewish people, our roots are crucial to our survival.

Our history as the Jewish People is a large part of the foundation of our existence. As Jewish Americans we have a history of over 240 years that means a lot for our continued flourishing as a community which is a strong and important element of our United States. It should be particularly significant this year, when we celebrate the 100th year in the history of our Adath Israel Congregation in Newtown, that we emphasize the history of the Jewish community of the United States of America.

So, this year I am going to introduce the theme of American Jewish History into the programming of our synagogue- in our Religious School, in our Sabbath and Holy Day services and in an adult education class which I will present in the coming New Year (Jewish Calendar). More details will be announced at our Rosh Hashanah services, but in the meantime, I invite anyone interested in joining a class and discussion on American Jewish History to let me know, as that could influence the timing and details.

I would like to wish everyone a healthy and enjoyable summer.

~ Rabbi Barukh Schectman

## President's Message

Dear Congregants,

I am writing my last newsletter as president of Congregation Adath Israel of Newtown. These last four years have been most rewarding for Florence and me. I am so grateful for the dedication and unwavering support I have been given by the Board of Directors both past and present. The many volunteers who accepted my request to serve on the various committees and activities of our Jewish community were so important to the growth and stability that we have always striven for.

I would like to thank outgoing VP Susan Littlefield for her work as liaison for the Caring committee. Welcome to David Rosen and Rhonda Greifinger who are joining our board this year. Congratulations.

Rabbi Schectman as spiritual leader of our synagogue gives us stability, dedication and intellectual discourse. He has shown that he enjoys being part of our community and has and is adapting to the needs of our shul and congregation.

Many thanks to Susan Rubin our Executive Director. Her work on behalf of our Jewish Community is exemplary. Her organizational skills and knowledge have given the board and I the ability to stay on course and accomplish our goals.

Congratulations to Ben Glaser for taking on the mantle as president. Ben brings to the congregation an energy that will help us achieve the goals necessary to make us financially sound as well as secure and safe in our classrooms and sanctuary. I personally will do everything I can to make his tenure successful and pleasant and I know you will too.

So, at this time Florence and I once again thank you for all that you have done to make this journey most rewarding and surprisingly pleasant. I thank you for your friendship and love.

With Blessings of Shalom,  
Bob Rubinstein

## CELEBRATING SHAVUOT

For the holiday of Shavuot, we will be gathering in the synagogue on Sunday morning June 9 for a short Torah service followed by a festive meal. On Shavuot we celebrate the giving of the Torah at Mt Sinai. It is traditional to read the verses of Torah that include the Ten Commandments and the story of Moses bringing the tablets down from the mountain top. And so, we will hear the Ten Commandments being chanted. It is also traditional to eat dairy products, and most particularly to eat blintzes. Our potluck luncheon will be showcasing some of the finest in blintzes and kugels that our congregation has to offer. The service will begin at 10:30. The luncheon will begin between 11:30 and 12:00.

Please plan to join us for this Torah reading and blintz extravaganza. Use this link to sign up to contribute to our potluck.

## Summer Service Schedule

As we head in to the summer months, our schedule of services shifts each year. Friday services in July and August will only be every other week. There will be just one Saturday morning service in August. There is no Shabbat Before Bedtime programming in July or August. We create this lighter schedule because so many are away vacationing during this time. But if there is an occasion in your life, or a family need, and you want a service on a week when none is scheduled, please do ask us:

[ritual@congadathisrael.org](mailto:ritual@congadathisrael.org)

We will try to accommodate all such requests when possible. Friday services will remain weekly through June and there is a Saturday morning service on June 22.

# THE NEZVESKY SCHOOL

א ב ג ד ה ו ז ח ט י כ ל מ נ ס ע פ פ צ ק ר ש ת

This has been a year of new and growing activities in our Religious School. I'd like to thank all our teachers, Rabbi Schectman, our music leader, Meyer Glaser, and our parent Coordinator, Gabrielle Joshpe. Our school is truly a community effort and it is through the dedication of all our parents that Adath Israel can provide our children with the understanding and skills to practice Judaism in a secular world.

While our small community has a number of challenges to provide this education, with your help I believe we will succeed. To that end, we will be trying a new schedule next fall—since we do not have a 6th grade in the upcoming year, we have the opportunity to take advantage of the earlier dismissal of the seventh grade from Newtown Schools and we will have our seventh grade attend from 3:15 PM to 5:00 PM. The fourth and fifth grades will continue to attend from 4:30 to 6:15 PM. I have discussed the choice of day with the parents and since there are conflicts with any choice of date, I am scheduling the midweek class for Wednesday. This may change if other schedules change, but in any event we will keep all the midweek classes on the same day.

Have a great summer and I look forward to seeing you all again in the fall.

# LAG B'OMER CAMPFIRE

## Claudia Roden's Orange and Almond Cake

### Ingredients:

2 large oranges  
6 eggs  
½ pound Ground Almonds  
½ pound sugar  
1 tsp. baking powder

Step 1. Wash the oranges and simmer them, unpeeled, in water to cover for 2 hours. Cool, cut them open and remove the seeds. Puree the oranges, including the peel in a food processor.

Step 2. Preheat Oven to 400 degrees.

Step 3. Beat the eggs in a food processor or large bowl. Add the remaining ingredients, including the orange puree, and mix thoroughly. Pour into a buttered and floured cake tin, with a removed base if possible.

Step 4. Bake for one hour, or until a knife inserted in the center comes out clean. Cool in the tin before turning out.

Tip: This is a very moist cake and goes especially well with blueberries, raspberries, strawberries, peaches, plums, apricots and nectarines.

Hosting a Friday Oneg or Saturday Kiddush is performing a Mitzvah for our community. After services is a time when we have a chance to slow down and catch up on the weekly events with our fellow congregants.

It's not only a Mitzvah, but a way for you to celebrate an event in your family and share the good news with our congregation. Many people host to commemorate birthdays, anniversaries, engagements, awards, graduations, victories and other happy occasions. You may also host in memory of a loved one. Of course, you don't need a reason to host and you may also buddy up and host with a friend.

If you wish to participate in this Mitzvah or for more information, please e-mail the office at:
