Member Reservation Form High Holiday Seating and Child Care 2024

Member Name: _____

Please read this reservation policy carefully. High Holiday seating and child care are included with your membership. Each membership will have two adult guest “tickets” available for each holiday to use for extended family members such as adult children, parents, grandparents, adult grandchildren, and siblings. Children age 24 and under are free. We continue to charge a fee for non-members. We ask that members who are inviting more than two adult relatives or are inviting non-relative guests follow the Non-Member fee policy. If you have any questions, please call 203-426-5188 or email office@congadathisrael.org.

Below, please list your name and those included in your membership who will be attending services (including the 2 guests, if applicable). Mark with an “X” which service(s) and/or child care they will attend. Child Care is available at no extra charge for members again this year.

If you are inviting more than two relatives (as outlined above) or are inviting non-relative guests, please also complete the Non-Member Reservation form available on our website www.congadathisrael.org and send in the fees as outlined on that form.

The return of this reservation form by **September 19, 2024** by mail or email (office@congadathisrael.org) would be most appreciated.

The return of this form helps us to plan for the proper numbers of seats and for babysitters.
